Churachandpur District Community Resource Management Society, Churachandpur, Manipur

A. Introduction

Churachandpur District Community Resource Management Society, Churachandpur, Manipur is a registered society which is implementing the North Eastern Region Community Resource Management Project (NERCORMP) in Churachandpur District of Manipur. NERCORMP is a rural livelihood development project aimed to transform the lives of the poor and marginalized tribal families of Arunachal Pradesh (Changlang, Longding and Tirap districts) and Manipur (Chandel and Churachandpur districts) of North East (NE) India. NERCORMP is a developmental initiative of the North Eastern Council (NEC), Ministry of DoNER, Govt. of India.

Its broad objective can be summarized as follows –

“To improve the livelihoods of vulnerable groups in a sustainable manner through improved management of their resource base in a way that contributes to the preservation and restoration of the environment.”
